The issuance of this permit authorizes improvements of the real property designated herein which improvements may subject such property to mechanic's and material men's liens pursuant to Part 3 of Article 8 of Chapter 14 of Title 44 of the Official Code of Georgia Annotated. In order to protect any interests in such and to avoid encumbrances thereon, the owner or any person with an interest in such property should consider contacting an attorney or purchase a consumers guide to the lien laws which may be available at building supply home centers. (HB1337)

CERTIFICATE OF OCCUPANCY; Required: A new building shall not be occupied or a change made in the occupancy, nature, or use of a building or part of a building until after the Building Official has issued a Certificate of Occupancy. Such Certificate shall not be issued until all required electrical, gas, mechanical, plumbing, and fire protection systems have been inspected for compliance with the technical codes adopted in section 14-36 and other applicable laws and ordinances and released by the Building Official.

I hereby make application for permit as follows, and if same is granted I agree to agree to conform to all Effingham County, Georgia ordinances regulating same and in accordance with plans and specifications submitted. I will not begin any construction (i.e. footing, foundation, etc.) until this permit has been issued and a copy posted on construction site. I certify that I understand all building and zoning requirements, including those "special" requirements for flood prone areas.
