Section 3.15 of the Effingham County Zoning Ordinance

“Home occupation” means an occupation or profession which is conducted entirely within a dwelling, which is carried on only by family members residing therein, which does not involve customers or clients coming onto the premises, and which is clearly incidental and secondary to the use of the dwelling for residential purposes.

Any business being based from another structure on your property or having customers or clients in home MUST have approval by the Planning Board and Commissioners.
